- 2) The minimum for all 5450-5 contracts is \$15.00 to allow for recovery of processing costs.
- 3) Sawtimber includes sound live or dead material; large poles, house logs, mine timbers, ties, and saw logs.
- 4) Pinyon Nuts are free to individuals if for personal use and under 75 lbs.
- 5) Road Maintenance fees of 20% of the purchase price must be collected on each sale and coded by Field Office to the 9120 subactivity. These funds are to be used to maintain forest product roads. Accounting should report the collection of 9120 funds on a cash receipt document (CR).
